IN
HAND**

The Bird in Hand signature range is a limited release of premium quality wines created from the best parcels of fruit from every vintage. These wines present the character to age impeccably whilst delivering qualities that can be enjoyed today.

Bird in Hand Pinot Rosé 2022

Whether you're looking for an exquisite match to magnificent seafood and salads, dreaming of endless lazy summer sipping or seeking a perfect aperitif accompaniment to BBQ'd antipasto, our Pinot Rosé will go down a treat.

Made predominantly using Pinot Noir, sourced from multiple cool sites across the greater Adelaide region to capture a spectrum of fruit flavours. Following ideal cool, dry ripening conditions the fruit was picked during the coldest part of the late summer evenings. Fruit was destemmed and spent two to four hours on skins to extract flavour and the briefest hint of colour. It was then tank-fermented to maintain the delicate floral and berry characteristics and maintain high natural acidity.

The 2021 Pinot Rose has lifted strawberry, wild raspberry, red apple and musk aromas with a vibrant, pale pink colour from brief skin contact. Lively, flavoursome and juicy fruit weight on the mid-palate with a refreshing textural finish.

Best enjoyed young and always accompanied by great food and friends.

Technical Data
Alc: 12%
pH: 3.10
TA: 6.75
Vegan friendly
Vegetarian friendly
