BUSH Shiraz 2021

A D E L A I D E

BUSH Shiraz is an elegant and alluring expression of contemporary Australian Shiraz, made in a Syrah style. A nod to the past using traditional techniques including wild fermentation and hand plunging combined with modern winemaking finesse. Fruit for this elegant shiraz was selected from cooler climate vineyards in the Adelaide region including Adelaide Hills.

Harvested in the cool early morning, the fruit was destemmed with a large proportion of whole berries. Fermented with a combination of wild and specially selected yeast strains, the parcels then spent between 7-12 days on skins before being transferred to French oak barrels of varying sizes (225L-500L) for 16 months.

Deep purple in colour, this wine exhibits lifted aromatics of blackberry and blueberry with hints of violet, pepper and spice. This medium bodied elegant wine has generous mid-palate weight, fleshy, supple tannins and balanced acidity driving a long finish.

BUSH Shiraz has instant appeal and the necessary balance & structure to age for up to five years.
