

GWC Pt. Leo Road & Moorooduc Vineyard Syrah 2021

Varietals:
100% Shiraz

Harvested:
March 2021.
100% hand picked, maturation 12 months
in new & used French Oak.

<i>Bottled:</i> Late Winter 2022	<i>Alc/Vol:</i> 13%
-------------------------------------	------------------------

Cellaring:
Now - 10 years

Notes:

It has the Red berry, black pepper and sweet spice nose consistent with cool, slow ripening Shiraz. These enticing aromas continue on a palate that is at once complex and lively.

There are also some lovely savoury characters that bring it all together. There is sufficient tannin to ensure the wine will age gracefully but at the same time the texture is slippery smooth even at this young age.
